Pitches

- If home team's pitch is unplayable the fixture must be played at opponent's venue if playable, otherwise the home team will forfeit the points.
- The home team is responsible for making contact with their opposition if the home team's pitch is unplayable.
- In the case of teams that use city council/corporation pitches this should be done as soon as the pitches are declared unplayable on a Friday by the local council/corporation.
- In the case of a club that has its own pitches contact must be made by 6 p.m. on Friday for weekend games or 6 p.m. on the day before a midweek game by the home team declaring that their pitch is playable/unplayable. If the home pitch is declared playable in these circumstances only the referee may subsequently deem it unplayable as per T.O. 2008. Should the home team declare their pitch unplayable at short notice i.e. on the day of the game without the referee's consent when the away team has a playable pitch they will forfeit the points.

Player Eligibility

- If a team has an issue about the eligibility of an opposing player the mentor should ask the referee to:
 - Take the player's name
 - Get the player's signature
 - Get the player's date of birth
 - Request the referee to report this to CCC2.

Issues of registration can only be dealt with by written request to Parnell Park from the club secretary with the query.

Referees

- Referee's fees are €20 per team.
- The **HOME** team must contact the referee to ensure his availability.
- If a referee is not notified by the **HOME** team of a call off or change of venue/time then the **HOME** team as listed for the fixture is liable for the full fee of €40.
- In the event that a referee fails to show, the away team has the option to referee the game.
- If they do not wish to exercise this option then the home team **MUST** referee or concede the game.
- This rule does not apply to Championship games where a neutral referee must be present.

Games

- All games are play or concede with the following exception.
- The Chairperson of CCC2 may officially call off or postpone a fixture if he feels that the circumstances are exceptional.
- Any fixture not played and not officially called off will result in a w/o if one team fails to field or will be void if both teams do not field. In this event a fine may also be imposed on the clubs.
- Official fixtures will not be called off for school trips, friendlies outside the county, invitations to tournaments etc. Clubs will only be given permission to travel to tournaments if they have played their scheduled game in advance. The penalties for unauthorised participation in a tournament as laid down in T.O. 2008 will be imposed on clubs/mentors/players who do not adhere to this regulation
- In the event of a bereavement cancellation of matches will be at the discretion of the

chairperson of CCC 2 only. A game will be given off only where the bereavement has a direct bearing on a particular team

- Officials of CCC2 will not enter into phone correspondence regarding fixtures except in the case where a replacement referee is required. All correspondence regarding fixtures must be via the club delegate or juvenile secretary to the secretary of CCC2. Once decisions have been made no further correspondence will be entered into.
- Walkovers – On the concession of a second walkover a team shall be removed from the league unless exceptional circumstances prevail. If CCC2 judge that exceptional circumstances have prevailed in a particular case a team shall be allowed to continue to play but shall, on the concession of any further game, be removed from the competition.

Top 4 Bottom 4 Leagues and Variations of Same.

- League round fixtures must be completed before Top 4 Bottom 4 begins.
- If back matches arise before start of Top 4 Bottom 4 they will be fixed on dates not necessarily fixed in the calendar in order to allow Top 4 Bottom 4 to proceed as scheduled.
