

CASTLEKNOCK HURLING AND FOOTBALL CLUB

# CLUBHOUSE APPEAL

Dear members and friends,

This is Somerton Park, the home of Castleknock Hurling and Football Club. Our plans are developing and it is our intention to build a clubhouse with facilities including dressing rooms, toilets and showers. The club recognises the financial times in which we live but equally there was never a better time in terms of cost to undertake a development such as the one proposed for Somerton Park.

**Our Goal!**  
**€300,000**

We have received responses to tender and it is clear from negotiations with financial institutions that the Club will only be in a position to borrow based on its ability to raise funds from its own independent sources and membership. The bond scheme has worked successfully for other clubs and consists of members loaning an affordable sum to the club, interest free, for a fixed period of time.

The executive of the club together with the trustees of the club have decided to initiate a 10 year bond. The scheme is being launched to members and friends of the

club and will be run for a fixed number of months and as per the agreed timetable. So have you a sum of money that you are willing to lend to our club?

If so please complete the form overleaf and return together with your cheque or other payment method to Derek Cleary, 2 The Beeches, Luttrellstown, Castleknock, Dublin 15. Staged payments will also be welcomed. If you have any questions on this initiative please feel free to contact me directly or any member of the executive at any time. We look forward to a positive response to this initiative which will be the basis for a successful development.

Yours in sport,

Niall Tutty Chairman
